June 18, 2007

Sir:

Pursuant to a telephone conversation with Examiner Phan on June 18, 2007, applicants hereby submit a clear copy of the specification in the subject application.

Applicants submit that this specification is identical to the specification that which was filed with the application on October 29, 2003. No new matter has been added.

Examiner Phan indicated in the telephone conversation that the specification on file at the U.S. Patent & Trademark Office was unreadable. This clear copy, therefore, is submitted to assist the USPTO in reviewing this application.

In the event this paper is not being timely filed, the applicants respectfully petition for an appropriate extension of time. Any fees for such an extension together with any additional fees may be charged to Counsel's Deposit Account 50-2222.

Respectfully submitted,
